Yurts!

A bunk bed sleeps three, and a futon couch sleeps two. A fire ring, picnic table and paved parking are right outside. Maximum 2 pets (cats and/or dogs only) in the pet friendly facilities; donations are accepted.

Horses Welcome

The reservable horse camp has 17 campsites, each with two double corrals, a fire ring and picnic table. Each site will hold up to four horses or pack-animals. Water spigots are available in the camp between sites H2 and H4 and also at sites H11 and H13. Trails and beaches offer more than 20 miles of riding opportunities. A public horse training/warm-up corral is available in the main day-use area.

Bring a Group

Our year-round meeting hall accommodates 50 people and is available for all types of gatherings, including family reunions and club meetings. Reservations are required year-round.

Enjoy Bay and Beach

You have the best of two worlds at Nehalem Bay State Park. A boat ramp provides access to fishing and crabbing on the Bay and sheltering dunes separate the campground from the ocean beach, which extends the length of the four-mile spit.

A two-mile bicycle trail winds along the bay shore and a new ½ mile perimeter trail connects with the city trail to take riders into downtown Manzanita. Beach-combing can produce special rewards — treasures that include agates, shells, and occasionally glass floats. Watch for deer, elk and other wildlife along a two-mile gravel trail leading from the end of the day-use area to the Nehalem River's north jetty. Choose from two picnic areas, one overlooks the bay near the boat launch area with coastal mountains framing the background. Another is closer to the ocean and has a trail leading over the dune to the beach. Both have picnic tables, fire rings and restrooms. Horseback riders enjoy both the beach and the trail to the end of the spit. A horse concession operates in our day-use area during the summer.

Have Fun Learning

Interpretive programs including Junior Ranger activities (ages 6-12) and evening presentations for all ages are offered from Memorial Day through Labor Day.

Ask about the guided tidepool walks and interpretive hikes offered here and at nearby parks. Look for schedules posted at our amphitheater, registration booth and information kiosks.

Recycle Now for the Future

Recycle plastic, glass, aluminum, tin, cardboard, grayboard and newspapers at our recycling areas next to the garbage compactors at each campground loop entrance. Please clean items that contained food.
