Smoking in Oregon State Parks is allowed only in personal vehicles, RVs, campsites and portions of day use parks along state highways that are designated as safety rest areas by the Oregon Department of Transportation.

Need to cancel your reservation? Follow these guidelines: If your reservation is for today, call 503-842-4981. Otherwise, call 1-800-452-5687.

Yurt and Cabin Comforts

Enjoy the year-round comforts of a yurt or deluxe cabin. Yurts are domed tents with structural support, wooden floors, lockable doors, lights, heating, and beds with vinyl-covered mattresses. A bunk bed sleeps three, and a futon couch sleeps two. Our deluxe cabins, which also accommodate five, have refrigerators, microwave ovens, barbecue grills, TVs with VCRs/DVD players, and bathrooms with showers. They are located next to the day-use area. All cabin and yurt sites have fire rings and picnic tables. Up to two pets (cats and/or dogs only) are allowed in designated pet-friendly facilities for an additional fee.

Miles of Hiking Trails

The Cape Trail, a 2.4-mile trek to the tip of Cape Lookout, begins at the trailhead parking area 2.6 miles south of the park entrance on the Three Capes Scenic Route. The tip of the cape offers prime whale watching during Gray whale migrations.

The South Trail winds 1.8 miles from the trailhead to the beach south of the cape, and the North Trail extends 2.3 miles north to the park's day-use area.

A quarter-mile, self-guided nature trail departs from near the campground registration booth or the day-use area.

Trail guides are available at the registration booth or can be obtained from a park host.

Three Capes Scenic Route

The northern end of this loop begins in Tillamook and winds along the shore of Tillamook Bay to Cape Lookout and two other capes with state parks. **Cape Meares State Scenic Viewpoint**, north of Cape Lookout, features a historic lighthouse, hiking trails, picnic areas, an unusually shaped Sitka Spruce known as the "Octopus Tree," and the "Big Spruce," which is the largest Sitka Spruce in Oregon. The lighthouse is open daily April 1–October 31. Watch for whales and look for nesting seabirds on cliffs and offshore rocks.

Continuing south, **Oceanside Beach State Recreation Site** offers beach access north of Netarts Bay.

South of Cape Lookout, **Clay Myers State Natural Area** at Whalen Island is an ecological wonderland centered in the Sandlake Estuary. You can tour the island on a 1.4-mile loop trail.

Located at the north end of Pacific City is **Cape Kiwanda State Natural Area**. Its sculpted sandstone cliffs provide a picturesque location for wave watching.

Pacific City is home to a dory fleet and is the location of **Bob Straub State Park**, which provides access to the broad, sandy beaches of the Nestucca Spit.

Further inland, 6 miles south of Tillamook off of Hwy. 101, **Munson Creek Falls State Natural Site** has a short trail to a viewpoint overlooking the highest waterfall (319 ft.) in the Coast mountain range.

Western snowy plovers nest along some parts of the Oregon coast. Watch for special signs during nesting season.
